# I'm responsible for Maurice Ampaw's accident - Owusu Bempah

Lawyer Maurice Ampaw and Owusu Bempah

Founder and leader of Glorious Word and Power Ministry International, Rev Owusu Bempah, has revealed ironically that he is responsible for the accident suffered by legal practitioner Maurice Ampaw recently.

Speaking on Happy FM's 'Nsem Pii' with Nyansa Boakwa, the Reverend Minister gave lucid indications that he was the cause of Dr Ampaw's accident.

"You remember that some challenged me on this same station and he provoked me to curse him. He had an accident recently and his car somersaulted 8 times." Rev. Bempah told Happy FM.

"I didn't pray that he should die that's why he only suffered some minor injuries so that he learns from this accident," He added.

Dr. Maurice Ampaw was involved in an accident Monday afternoon on the Sunyani-Bechem road in the Brong Ahafo region.

He was treated and discharged at the Bechem hospital with bruises around his right elbow.

Rev. Owusu Bempah had cursed the renowned lawyer late last year when the two engaged in an altercation in relation to Black stars captain Asamoah Gyan and Sarah Kwabla's sodomy allegations which is still pending in court.
